

SOIL SURFACTANT

AGRICULTURAL SOIL SURFACTANT

NON-PLANT FOOD PRODUCT CONTAINS NON-PLANT FOOD INGREDIENTS

ACTIVE INGREDIENTS:

ACTIVE INGREDIENTS: 16.6% Meroxapol, Oxirane 2-methyl-2-ethylhexyl ether, D-glucitol 1-deoxy-1-(methyl-amino)

INERT INGREDIENTS: 83.4% Water

TOTAL: 100%

**KEEP OUT OF REACH OF CHILDREN
WARNING**

HAZARD STATEMENTS

Causes eye irritation.

PRECAUTIONARY STATEMENTS

General:

If medical advice is needed, have product container or label at hand.
Keep out of reach of children.
Read label before use.

Prevention:

Wash hands, face and other affected areas thoroughly after handling.

Response:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF EYE IRRITATION PERSISTS: Get medical advice/attention

PERSONAL PROTECTIVE EQUIPMENT (PPE): Wear protective gloves, clothing and eye protection.

FIRST AID

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice

PRODUCT INFORMATION

VODA is an agricultural soil surfactant formulated to increase the efficiency of irrigation and rain water. VODA reduces the amount of time water sits and evaporates into the air, minimizing crusting and improving soil penetration, increasing the moisture levels in the soil.

DIRECTIONS FOR USE – Suggested Use Rates

VODA can be applied through any type of irrigation system (except earthen ditches) and also by conventional spray equipment.

Injection Through Irrigation Systems: Inject VODA at 1 to 4 quarts/acre through any type of irrigation system (except earthen ditches).

Conventional Sprayers: Apply at 1 to 4 quarts/acre, prior to irrigation and/or rainfall.

Crusting Application: Apply VODA at 1 to 4 quarts/acre to minimize crusting of seedbed. A band sprayed application directly over seed row may be made with VODA alone, or VODA can be tank mixed with fertilizers.

Water Penetration: Apply VODA at 1 to 4 quarts/acre at beginning of irrigation set to improve soil penetration and minimize standing water.

Water Maintenance: Apply VODA at 1 to 4 quarts/acre per month during growing season. Additional applications may be made, especially during very hot, dry weather periods to achieve desired results.

Transplanting: Add VODA at 1 to 4 quarts/1000 gallons of transplant water.

Fallow Bed Treatment: Apply VODA at 1 to 4 quarts/acre to fallow beds in advance of rainfall.

STORAGE AND DISPOSAL: Keep container tightly closed. Store in original container only. Keep in a secure and locked storage area. Do not add water to the contents of this container. Triple rinse container, empty rinse water into spray or stock tank. Dispose of empty containers in accordance with federal, state and local law.

WARRANTY AND LIMITATION OF DAMAGES

INNICTIS CROP CARE, LLC warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of INNICTIS CROP CARE, LLC. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNICTIS CROP CARE, LLC makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNICTIS CROP CARE, LLC or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNICTIS CROP CARE, LLC's maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNICTIS CROP CARE, LLC shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
