

ADJUVANT

REVAMP[®]

WATER CONDITIONING • WETTING AGENT

PRINCIPAL FUNCTIONING AGENTS:

Ammonium sulfate, proprietary surfactant system	44.00%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT	56.00%
TOTAL:	100.00%

All components exempt from the requirements of a tolerance 40 CFR 180.

HAZARD STATEMENTS

Causes skin irritation.
Causes serious eye irritation.
May cause respiratory irritation.

PRECAUTIONARY STATEMENTS

General:

If medical advice is needed, have product container or label at hand.
Keep out of reach of children.
Read label before use.

Prevention:

Avoid breathing mist, vapors or spray.
Wash hands, face and other affected areas thoroughly after handling.
Use only outdoors or in a well-ventilated area.
Wear protective gloves/protective clothing/eye protection/face protection.

Response:

IF ON SKIN: Wash with plenty of soap and water.

IF SKIN IRRITATION OCCURS: Get medical advice/attention.

Take off contaminated clothing and wash before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF EYE IRRITATION PERSISTS: Get medical advice/attention.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.

Call a POISON CENTER or doctor/physician if you feel unwell.

Storage: Store in a well-ventilated place. Keep container tightly closed. Store locked up.

Disposal: Dispose of contents/container to Local, State and Federal Regulations.

**KEEP OUT OF REACH OF CHILDREN

PERSONAL PROTECTIVE EQUIPMENT

Wear chemical eye protection, impervious gloves, long-sleeve shirt and pants and shoes and socks. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF SWALLOWED: Have person sip a glass of water if able to swallow. **DO NOT** induce vomiting unless told to do so by a poison control center or doctor. **DO NOT** give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

PRODUCT INFORMATION

REVAMP contains a combination of ammonium sulfate and an electrolyte-stable surfactant system in a convenient liquid form. The low foaming system at the recommended use rates delivers the AMS and surfactant required by glyphosate, glufosinate and many other pest control products. By reducing hard water interactions, increasing uptake and spreading, all at the same time, *REVAMP* significantly increases the performance of most pest control agents.

DIRECTIONS FOR USE

Use *REVAMP* at a rate of 2.5 to 5 gallons per 100 gallons (2.5% to 5%) of tank mix. Add according to the directions on the pesticide label. If no directions are provided, add this product when directed to add ammonium sulfate.

***(NOTE: the use rate of 2.5% provides the equivalent of 2 quarts of surfactant blend per 100 gallons of tank mix)**

The use rates described above meet the surfactant and AMS requirements of such products as *Roundup® Original and other similar products. These rates will deliver 8.5 to 17 pounds of AMS and 0.5 to 1% of wetting agent per 100 gallons of spray solution. **DO NOT** mix this product with concentrated oil or lecithin based adjuvant products before adding to the tank mix. Add these two kinds of products separately to the tank.

GALLONS OF REVAMP PER 100 GALLONS OF TANK MIX	EQUIVALENT QUARTS OF SPREADER ADJUVANT	POUNDS OF DRY AMS DELIVERED

STORAGE AND DISPOSAL

STORAGE: **DO NOT** contaminate water, food or feed by storage and disposal.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) adding rinsate to mix tank. Decontaminated containers may be disposed of in a sanitary landfill or by recycling. Recycling is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

LIMITATION OF LIABILITY AND WARRANTY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
