ADJUVANT

DEPOSITION AID • SPREADER • DRIFT CONTROL AGENT

PRINCIPAL FUNCTIONING AGENTS:

Modified vegetable oil, petroleum hydrocarbons, alkyl phenol ethoxylate	99.00%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS	1.00%
TOTAL:	100.00%

Contains Petroleum Distillates

TOXICITY END POINTS FOR THIS PRODUCT EXCEED GHS CLASSIFICATION; IT IS LABELED UNDER PREVIOUS REGULATIONS.

CAUTION

WA Reg. No.: 89391-15005

NET CONTENTS: 2.5 Gal (9.46 L)

Distributed By: INNVICTIS® CROP CARE, LLC 1880 Fall River Drive, Suite 100 Loveland, CO 80538

72315170600A

TOXICITY END POINTS FOR THIS PRODUCT EXCEED GHS CLASSIFICATION: IT IS LABELED UNDER PREVIOUS REGULATIONS.

PRECAUTIONARY STATEMENTS

CAUTION: May cause skin irritation. Avoid contact with skin, eyes or clothing. **DO NOT** take internally. Wear chemical resistant eyewear and gloves, long sleeve shirt and pants and shoes and socks. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin IMMEDIATELY WITH PLENTY OF WATER FOR 15-20 MINUTES.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

iF SWALLOWED: Have person sip a glass of water if able to swallow. DO NOT induce vomiting unless told to do so by a poison control center or doctor. DO NOT give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

PRODUCT INFORMATION

VELOMAX is used as a spray adjuvant to improve deposition of spray droplets. VELOMAX improves spreading and reduces the production of line droplets which are susceptible to movement from the spray pattern.

The degree of 'drift hazard varies with the 'type' of pesticide, application conditions and the vegetation near sprayed area. This product is intended as a management tool to reduce drift and improve deposition. Common sense and sound application technology must be followed when spraying pesticides. VELOMAX does not produce large spray dropfets like some polymer drift products. Internal cohesion of the components help prevent droplets shearing into fines which move off target.

DIRECTIONS FOR USE

VELOMAX is intended for use with a wide variety of pesticides and sites including but not limited to agricultural crops, aquatic forestry, industrial, non-crop, right-of way and turf and ornamental. VELOMAX may be used in conventional spray equipment both ground and aerial VELOMAX is suitable for use with in-line injection mixing systems and air assisted nozzles. NOT FOR AQUATIC USE IN WASHINGTON STATE.

APPLICATION OR USE RATES

Determine proper rate of product based on type of application and type of formulation being used. **DO NOT** exceed 1% v/v of the spray solution. Product should be the last additive prior to completely filling the spray tank with water.

SUGGESTED USE RATES:	VOLUME TO VOLUME
	0.25% - 0.50%

The addition of an adjuvant to some pesticides, pesticide combinations, and/or fertilizers may cause phytotoxicity to the foliage and/or fruit of susceptible crops or non-targeted vegetation. Prior to the addition of the product to a spray tank mix, the user or application advisor must have experience with the combination and/or must have conducted a jar test for compatibility.

MIXING

VELOMAX may be mixed with pesticides in conventional spray equipment but should be the last additive prior to completely filling the spray-tank with water. VELOMAX may be applied through birect injection systems. If tank space is limited, VELOMAX may be premixed with equalsifiable Concentrates. VELOMAX may be premixed with aqueous base formulations such as glyphosate but a compatibility jar test should be conducted with the formulation being used.

STORAGE AND DISPOSAL

Store in a cool, dry place. Keep in original container tightly closed. **DO NOT** reuse empty container **DO NOT** containinate water sources by run-off from cleaning of equipment, disposal of rinse waters or spray mixtures. Triple rinse (or equivalent) during mixing and loading. Recycling decontaininated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at: www.acrecycle. org.

WARRANTY

The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of INNVICTIS CROP CARE LLC or the Seller. All such risks shall be assumed by the Buyer. INNVICTIS CROP CARE LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. **INNVICTIS** CROP CARE LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. IN NO CASE SHALL INNVICTIS CROP CARE LLC. OR THE SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. INNVICTIS CROP CARE LLC and the Seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of INNVICTIS CROP CARE LLC.
