

ADJUVANT

**WATER CONDITIONING AGENT
AMINE COMPATIBLE**

PRINCIPAL FUNCTIONING AGENTS:

Ammonium sulfate, citric acid, phosphoric acid, sodium tripolyphosphate.....

44.00%

CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS:

56.00%

TOTAL:

100.00%

HAZARD STATEMENTS

Causes mild skin irritation.
Causes eye irritation.

May be harmful if inhaled.

PRECAUTIONARY STATEMENTS

General:

If medical advice is needed, have product container or label at hand.
Keep out of reach of children.
Read label before use.

Prevention:

Wash hands, face and other affected areas thoroughly after handling.

Response:

IF INHALED: Call a **POISON CENTER** or **doctor/physician** if you feel unwell.

If skin irritation occurs: Get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

if eye irritation persists: Get medical advice/attention.

**KEEP OUT OF REACH OF CHILDREN
WARNING**

HARMFUL IF SWALLOWED, INHALED, OR ABSORBED THROUGH SKIN. AVOID CONTACT WITH EYES AND SKIN, MAY CAUSE IRRITATION. AVOID BREATHING SPRAY MIST.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and other handlers must wear: Eye protection, long sleeved shirt and long pants, shoes plus socks and chemical resistant gloves.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container or label with you when call or going for treatment.

IF SWALLOWED: Have person sip a glass of water if able to swallow. **DO NOT** induce vomiting unless told to do so by a poison control center or doctor. **DO NOT** give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

VIXEN AC-L contains a blend of highly-effective water conditioning agents that are specifically designed to minimize the interaction between ions and active ingredients. *VIXEN AC-L* contains ammonium ions and has been shown to activate glyphosate tank mixes. *VIXEN AC-L* can be used with any pesticide where interaction with ions may occur and/or ammonium sulfate is recommended in the tank mix. *VIXEN AC-L* should be used wherever acidifiers and acidic tank mixes are allowed. *VIXEN AC-L* can be used with herbicides, fungicides, insecticides and many other pesticides. *VIXEN AC-L* is especially effective when used with weak-acid herbicides such as glyphosate and 2,4-D.

DIRECTIONS FOR USE

VIXEN AC-L does not contain surfactant or oil. If the pesticide label recommends or requires the use of a surfactant or oil, these should be added along with *VIXEN AC-L*. This product lowers pH into a range which enhances the performance of most weak acid pesticides. Use with pesticides that are compatible with lower pH. **DO NOT** use with copper-containing fungicides. Minimize worker exposure by using measures that are required for pesticide handling. *VIXEN AC-L* may be added before or after the pesticide is added to the tank mix. Although addition beforehand will prevent unwanted interactions, the interaction may be reversed afterward, although addition of larger amounts may be required. Never exceed the highest recommended dose. NOT FOR AQUATIC USE IN WASHINGTON STATE.

RECOMMENDED USE RATES

Ground: 0.5 to 2 quarts per 100 gallons

Aerial: 1 to 2 quarts per 100 gallons.

Water Conditioning: 1 to 5 pints per 100 gallons of spray tank solution is highly effective as an acidifier and water conditioner. 8.5 lbs. of AMS per 100 gallons has been proven to be replaced by 2 quarts of *VIXEN AC-L*.

VIXEN AC-L, used at the suggested rates will deliver water conditioning activity equivalent to 3 to 8.5 lbs. of ammonium sulfate per 100 gallons of water.

STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage and disposal. Store in a cool, dry place. Keep container sealed when not in use.

PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

WARRANTY

The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of INNVICTIS CROP CARE LLC or the Seller. All such risks shall be assumed by the Buyer. INNVICTIS CROP CARE LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. **INNVICTIS CROP CARE LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. IN NO CASE SHALL INNVICTIS CROP CARE LLC OR THE SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.** INNVICTIS CROP CARE LLC and the Seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of INNVICTIS CROP CARE LLC.
