### PRODUCT INFORMATION

10% Calcium is formulated for foliar and soil applications. This product has a low pH, so do not add any acidifying agent or buffering agent to the spray solution. To reduce risk of phytotoxicity, use a non-penetrating anionic surfactant, such as ENVELOP. It is recommended that 10% Calcium be applied as a foliar spray to correct Calcium deficiencies. Do not apply to plants suffering from a lack of water or heat stress.

Do not apply in combination with phenoxy type herbicides, copper or zinc fungicides or any material that is adversely affected by low pH. This product is not recommended on field grown or greenhouse ornamentals or flowers. Rates of application will vary depending upon the severity of the deficiency, climate, soil conditions, and method of application.

Consult your State Agricultural Experiment Station or Extension Specialist for advice in selecting treatments from this label to best fit local conditions.

### DIRECTIONS FOR USE

**FOLIAR APPLICATION:** Apply the recommended amount in sufficient water to obtain thorough coverage.

**AERIAL APPLICATION:** Use 1 quart per 5 gallons of water.

**DILUTE APPLICATION:** Use 2 quarts in at least 20 gallons of water, or 4 quarts in at least 40 gallons of water.

Do not apply in an emulsifiable concentrate.

### APPLICATION RATE RECOMMENDATIONS

**FIELD AND VEGETABLE CROPS:** Apply 1 to 2 quarts per acre and repeat as needed.

**DECIDUOUS TREES AND VINES:** Apply 1 to 4 quarts per acre and repeat as needed.

**SOIL APPLICATION:** Use 4 to 8 quarts per acre as a sidedress or preplant.

### STORAGE & DISPOSAL

Store product in original container tightly closed, upright, in a dry place. STORE ABOVE 32 °F. DO NOT store in excessive cold or heat. DO NOT reuse container. DO NOT contaminate water, food or feed by storage or disposal. Triple rinse or equivalent and dispose of container in accordance with local, state and federal regulations.

### WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

INNICTIS BioScience Plant Health Technologies warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the

manner or use or application, all of which are beyond the control of INNICTIS BioScience Plant Health Technologies. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNICTIS BioScience Plant Health Technologies makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNICTIS BioScience Plant Health Technologies or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNICTIS BioScience Plant Health Technologies' maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNICTIS BioScience Plant Health Technologies shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
