### PRODUCT INFORMATION

*ALLEVIA* is formulated for quick and efficient foliar nutrient delivery to row crops, vegetables, fruit & nut trees and fruiting vine crops to prevent and correct micronutrient deficiencies. The specific mixture and formulation of nutrients in *ALLEVIA* allow season long versatility and can be applied at any growth stage for correction of micronutrient deficiencies.

### RATE RECOMMENDATIONS

#### Foliar Application

**Ground:** Apply 1 – 3 pints per acre.

**Aerial:** Apply 1 - 3 pints per acre in a minimum of 2 gallons of water per acre.

#### Mixing and Handling Precautions

- Caution: Not compatible with phosphate (P2O5) solutions.
- *ALLEVIA* will tank mix with most commonly used pesticides & fertilizers.
- Always check compatibility by jar test when tank mixing with more than one pesticide or fertilizer or when mixing with high pH or hard water.

### SHAKE BEFORE USE

**WARNING:** This product contains boron and should be used only as recommended. The use of this product on any crops other than those recommended may result in serious injury to the crop(s).

**WARNING:** This product is to be used only on crops which respond to molybdenum. Crops high in molybdenum are toxic to grazing animals.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

### WARRANTY AND LIMITATION OF DAMAGES

Innvictis BioScience Plant Health Technologies warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of Innvictis BioScience Plant Health Technologies. All such risks must be assumed by the buyer or user. Except as warranted on this label, Innvictis BioScience Plant Health Technologies makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of Innvictis BioScience Plant Health Technologies or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, Innvictis BioScience Plant Health Technologies's maximum liability for breach of its warranty or for use of this product, regardless of the

form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, Innvictis BioScience Plant Health Technologies shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
