F3013

KEEP OUT OF REACH OF CHILDREN

Read Label Before Use

NET CONTENTS: 2.5 Gal (9.46 L) NET WEIGHT: 23.5 lb (10.66 kg) DENSITY: 9.4 lb/gal @ 68 °F

PRODUCT INFORMATION

CHE-CALCIUM 3% is fully chelated and in a form readily available to plants. CHE-CALCIUM 3% is compatible with most pesticides. Use the standard jar test to determine compatibility. CHE-CALCIUM 3% is most effective when placed in the root zone during planting or moved into the soil by irrigation. Do not use this product for foliar applications. It is important that the calcium deficiency be treated before visual symptoms appear. Rates of application will vary depending upon the severity of the deficiency, climate and soil conditions. Use in accordance with label instructions and/or the recommendations of a qualified individual or institution such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan. Avoid applying this product when plants are suffering from moisture stress. Add CHE-CALCIUM 3% to the tank first when applied with a pesticide

DIRECTIONS FOR USE

CHE-CALCIUM 3% can be applied to the soil alone or in combination with dry or liquid fertilizer. CHE-CALCIUM 3% is recommended to correct deficiencies in crops and ornamentals and designed for the following uses: (1) Mixing with liquid fertilizers for pre-emergence or post-emergence application; (2) Mixing with liquid fertilizers; (3) Application in irrigation water, either alone or in combination with fertilizers and/or pesticides; (4) Mixing with pesticide spray solutions for soil application; (5) Application either alone or as a component in other liquid mixtures where soil application is otherwise impractical.

APPLICATION RATE RECOMMENDATIONS

Mild Deficiency: 1-2 pints per acre
Moderate Deficiency: 3-4 pints per acre
Severe Deficiency: 5-8 pints per acre

STORAGE & DISPOSAL

Store Above 32°F. If frozen, warm to room temperature and mix vigorously. Store this product in stainless steel, fiberglass, polyethylene, or certain other plastic materials. Copper or any of its alloys (brass or bronze) should never be used in any chelated handling system. Aluminum tanks are not recommended for storage of this product. Check with equipment manufacturer for compatibility of components prior to use of this product. NOTE: Do not mix or contaminate any EDTA type chelates with strong acid. DO NOT reuse container. DO NOT contaminate water, food or feed by storage or disposal. Triple rinse or equivalent and dispose of container in accordance with local, state and federal regulations.

WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

INNVICTIS BioScience Plant Health Technologies warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is,

however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of INNVICTIS BioScience Plant Health Technologies. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNVICTIS BioScience Plant Health Technologies makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNVICTIS BioScience Plant Health Technologies or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNVICTIS BioScience Plant Health Technologies' maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNVICTIS BioScience Plant Health Technologies shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
