PRODUCT INFORMATION

BIOBURST CONCENTRATE is to be used to prevent deficiencies in crops grown in soil that may contain low levels of available micronutrients. BIOBURST CONCENTRATE is to be used in conjunction with standard fertilizer programs. BIOBURST CONCENTRATE may be applied with any conventional spray equipment that ensures adequate and even coverage. Apply broadcast and before planting with sufficient water for uniform coverage. Incorporate for best results. May also be applied in the furrow. Application should be made within 24 to 48 hours after dilution. Agitate the solution immediately before use. SHAKE WELL BEFORE USE.

BIOBURST CONCENTRATE should be used alone in spray tank. However, BIOBURST CONCENTRATE has been mixed with fertilizers and numerous common pesticides with good results. Use the standard jar test to determine compatibility.

DIRECTIONS FOR USE

This product is a commercial fertilizer used as plant food in agricultural crop production. For specific application rates follow the recommendation of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

APPLICATION RATE RECOMMENDATIONS

Foliar Applications: 6–12 ounces per acre Soil Applications: 8–16 ounces per acre

STORAGE AND DISPOSAL

Store in a well-ventilated place. Keep container tightly closed. Store locked up. Keep out of direct sunlight. Store below 110°. Protect from freezing. Dispose of contents / container in accordance with local / regional / national regulations.

WARNING: This product contains boron and should be used only as recommended. The use of this product on any crops other than those recommended may result in serious injury to the crop(s).

WARNING: This product is to be used only on crops which respond to molybdenum. Crops high in molybdenum are toxic to grazing animals.

Information regarding the contents and levels of metals in this product is available on the internet at http://www.aapfco.org/metals.html

WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

INNVICTIS® BioScience Plant Health Technologies warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of

INNVICTIS® BioScience Plant Health Technologies. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNVICTIS® BioScience Plant Health Technologies makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNVICTIS® BioScience Plant Health Technologies or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNVICTIS® BioScience Plant Health Technologies' maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNVICTIS® BioScience Plant Health Technologies shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
