PRODUCT INFORMATION

CAL ACE 10 is a liquid Calcium formulation for the prevention and correction of Calcium deficiencies. Use *CAL ACE 10* in conjunction with existing soil and foliar nutritional programs for all crops requiring Calcium.

DIRECTIONS FOR USE

Add 1/3 of water to tank, add other additives, if any; add balance of water, agitate. Add appropriate amount of *CAL ACE 10*. *CAL ACE 10* is compatible with most fertilizers and pesticides. A compatibility test is recommended if desired combination has not been previously used.

APPLICATION RATE RECOMMENDATIONS

Foliar Applications: Use 1 - 2 quarts *CAL ACE 10* per acre per application using a minimum of 10 gallons of water as a carrier. Multiple applications throughout the growing season are recommended as a maintenance program. Best results occur when applications thoroughly cover actively growing plants. More applications will be necessary to help correct deficiencies once they occur.

DO NOT APPLY to plants suffering from moisture or heat stress.

Soil Application: Use 4 - 8 quarts *CAL ACE 10* per acre as a preplant or side dress application.

Aerial Application: Use 1/2 - 1 quart *CAL ACE 10* per acre with at least 5 gallons of water. For best results, multiple applications throughout the growing season are recommended.

For Field and Vegetable Crops: Apply desired rate throughout the growing season at regular intervals.

For Tree and Vine Crops: Start applications early in the growing season pre-bloom, then continue post bloom throughout the season as required.

STORAGE & DISPOSAL Store product in original container tightly closed, upright, in a dry place. **DO NOT** store in excessive cold or heat. **DO NOT** reuse container. **DO NOT** contaminate water, food or feed by storage or disposal. Triple rinse or equivalent and dispose of container in accordance with local, state and federal regulations.

WARRANTY, DISCLAIMER AND LIMITATION OF DAMAGES

INNICTIS BioScience Plant Health Technologies warrants only that this product conforms to the product description on the label and is reasonably fit for the purposes stated in the Directions For Use. The Directions for Use of this product are believed to be adequate and must be followed carefully. It is, however, impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner or use or application, all of which are beyond the control of INNICTIS BioScience Plant Health Technologies. All such risks must be assumed by the buyer or user. Except as warranted on this label, INNICTIS BioScience Plant Health Technologies makes no representation, warranty or guarantee, whether expressed or implied including, but not limited to, warranty of merchantability, fitness for a particular purpose, or otherwise. No agent or representative of INNICTIS BioScience Plant Health Technologies or the seller of the product is authorized to amend the terms of this Warranty disclaimer or the product's label or to make a representation or recommendation different or inconsistent with the label of this product. To the extent consistent with applicable law, INNICTIS BioScience Plant Health Technologies' maximum liability for breach of its warranty or for use of this product, regardless of the form of action, shall not exceed the purchase price of this product. To the extent permitted by applicable law, INNICTIS BioScience Plant Health Technologies shall not be liable for consequential, special or indirect damages resulting from the use, handling, application, storage, or disposal of this product or for damages in the nature of penalties, and the buyer and the user waive any right that they may have to such damages. If the warranty and liability limitations or disclaimer are not acceptable, return the unopened container to the place of purchase for full refund. To the extent not inconsistent with applicable law or the label, the purchase, delivery, acceptance and use of this product by the buyer is subject to the terms and conditions of seller's sales invoice for this product.
