

ADJUVANT

HIGH SURFACTANT OIL CONCENTRATE

A highly concentrated, multi-functional MSO-based spray adjuvant developed as a penetrating surfactant concentrate with superior wetting and penetrating characteristics.

BENEFITS

- Replacement for non-ionic surfactants and crop oil concentrates in liquid spray mixtures
- Improves herbicide control at half the use rates of standard MSOs

DIRECTIONS FOR USE

4-8 oz/A as a replacement for non-ionic surfactants and crop oil concentrates

High end of the recommended use rate may be necessary during period when plants are subjected to extreme stress or weed populations

ACTIVE INGREDIENTS

Methylated Vegetable Oil	60%
Surfactant Blend	40%
