

ADJUVANT

NAVIGATOR™ HC

HIGH LOAD CROP OIL

Superior blend of highly refined paraffinic crop oil and nonionic surfactants

BENEFITS

- Combines crop oil and surfactant characteristics to improve wetting, spreading, and penetrating properties
- Broad range use with pesticides where an oil concentrate adjuvant is recommended

ACTIVE INGREDIENTS

Paraffinic Petroleum Oil	60%
Selected Emulsifier	40%

DIRECTIONS FOR USE

GROUND, AERIAL, LOW VOLUME, CDA

Use 2-4 pints per 100 gallons of water or 0.25-0.50% v/v concentration
